

Does the industrial park have solar container business

LFP 280Ah C&I

Overview

December 4, 2024—ConGlobal has been selected to operate the first-ever container depot at Wonderful Industrial Park, strategically located in Shafter, California, in the state’s Central Valley. Serving the entire western United States and home to Fortune 500 companies, it is one of the most. Some of the best places to keep solar growing in California are on top of the flat, open, sunny roofs of warehouses and distribution centers throughout the state. “Two or three years ago, there were few sessions on sustainability or solar at this conference,” said Ryan McEvoy, principal and founder of GAIA, and a leader in sustainable real estate development, at NAIOP’s I. The shift to various forms of renewable energy, in particular, solar energy, has been widely seen recently.
