

Esie international solar container exhibition in italy

Overview

The " Solar & Storage Live Italia " is a leading international trade fair focusing on solar PV, storage, and complementary technologies, organized annually at Veronafiere in Verona by Terrapinn Holdings Ltd. This is an international event featuring novelties and pret-à-porter collections for men created by italian fashion's most prestigious designers T-GOLD Jewelry & Gems Manufacturing Equipment International Exhibition. SEC presents itself as an innovative technology showcase, dedicated to one of the pillars of the energy transition, where the full potential of solar energy can be explored — from residential to utility scale, including industrial applications and agrivoltaics.
