

Grenada solar container welding company

WORKING PRINCIPLE

Overview

Our expert team, led by General Manager, Graeme Fletcher, is conveniently located at Clarke's Court Marina and Boatyard where other yacht services are based. We also sell Solar Panels and can arrange the full installation package including bespoke frames and arches. My fully equipped workshop (self built) enables us to work closely alongside with our customer. WeldingTec has been established since 2018 and has built a solid reputation for excellent yacht and construction welding in Grenada.
