

Hs code for portable solar container products

Overview

What is the HSN code for solar container?

The specific HSN code for solar container depends on the product type. The Harmonized Tariff Schedule of the United States (HTS) sets out the tariff rates and statistical categories for all merchandise imported into the United States. For international packages, you need an "HS Code" for each item in your package. There are 25 HS Codes used for import by 156,515 importers of Solar, Click on HS Code to Get Actual Product description used by them.
