

Iraqi solar container power supplier

Overview

Directory of companies in Iraq that are distributors and wholesalers of solar components, including which brands they carry. We specialize in solar panels, inverters, batteries, energy storage systems (ESS), EV chargers, and agricultural solar power. From Baghdad to Basra and Erbil to Najaf, solar battery banks are helping hospitals, telecom towers, schools, and homeowners ensure energy security, reduce diesel generator reliance, and lower long-term electricity costs. NPC is providing expert Engineering, Procurement and Construction (EPC) services in different disciplines of industry, with a special focus on projects related to power and energy industries.
