

# **Italian new solar container module company**

## Overview

---

Titan Containers has unveiled a new cold storage solution featuring built-in solar panels and improved insulation technology, helping to reduce energy use by 55% compared to conventional. The innovative and mobile solar container contains 200 photovoltaic modules with a maximum nominal output of 134 kWp and, thanks to the lightweight and environmentally friendly aluminum rail system, enables rapid and. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. Their products undergo rigorous testing to ensure exceptional quality, performance, and. To support customers effectively, Ecogetti has Sales & Service offices in India.
