

# **Italian solar container inverter company factory operation**

## Overview

---

Inverters for motor control, photovoltaics and BESS systems: we design tailored solutions for the global energy transition. Enertronica Santerno represents a global point of reference in the landscape of power electronics and renewable energy. The company, Fimer Spa, emphasizes its strategic focus on solar energy, indicating its commitment to developing innovative solar solutions, which likely includes solar inverters. SolarEdge offers a range of solar inverters, including the SE40K model, known for its efficient conversion architecture. Abstract : Zucchetti Centro Sistemi (Zcs), a software house founded in 1985 by Fabrizio Bernini and part of the Zucchetti group since 2000, will manufacture inverters necessary for powering electric batteries for the SME market in a new factory under construction in a district of Terranuova. The acquisition will enable the company to complete its restructuring process, Fimer said.

## Italian solar container inverter company factory operation
