

Italian wind solar container exhibition

Overview

The tradefair is not only larger and covers a broader range of topics around energy transition than before, but is also more international. The AlgaeFarm event is an international conference and exhibition focused on innovations in agritech, specifically in the fields of soilless and vertical farming. We are excited to welcome you in Rimini from March 5-7 at the VSB Italy booth at KEY. , has, with its facilities in Rimini and Vicenza, achieved national leadership over the years in the organisation of trade shows and conferences. KEY - The Energy Transition Expo is Europe's leading event dedicated to technologies, services, integrated solutions for energy efficiency and renewable energies in Italy and the Mediterranean basin, the place to showcase the increasing pace of energy and climate policies and the opportunities.
