

Lebanon june solar container exhibition

Overview

As Lebanon enters a new era of development, Project Lebanon 2026 remains the country's leading construction, infrastructure, and renewable energy exhibition. Now celebrating its 27th edition, the event will take place from 16 to 19 June 2026 at the Seaside Arena, Beirut New. PromoTeam, the company with extensive experience in organizing specialized exhibitions since 1991, is organizing a large exhibition for solar and alternative energy under the slogan: "Energize the future with solar power". The Lebanese International Solar Week (LISW) is an annual event that brings together experts and professionals from the renewable energy industry. A typical Lebanese project quote includes: Actually, let's clarify: The average 10kWh residential system costs \$8,200-\$11,500 installed.
