

Malabo solar container spot welding machine after-sales service telephone

Overview

The Spot Welding Machine is checked through in-depth quality checks under the supervision of experts, who ensure for zero defects and faults. In case of any, you can drop an email at or call on +91-9818077225, from Mon to Sat 8:00 AM to 8:00 PM. SolaraBox Services cover design, manufacture, deployment and lifecycle support for our solar containers. The Solarcontainer is a photovoltaic power plant that was specially developed as a mobile power generator with collapsible PV modules as a mobile solar system, a grid-independent solution represents. This results in quicker, more precise welds, reducing production time and increasing efficiency. Each system, including 5 kW panels, a 10 kWh lithium battery bank, and real-time remote monitoring, cost around USD \$25,000, including shipping and installation.
