

National solar container innovation center factory operation

Solar

Overview

We produced one 20ft mobile solar container configured for on-grid operation and factory-tested it before shipment. Manufacturing lead time was 40 days; transport to the customer site took 35 days. Provide first line engineering support for the day-to-day operations of the Invenergy utility-scale solar fleet. Collaborate with cross functional groups to resolve issues on site (Control Center, SCADA, on a?
