

New energy technology and solar container conference

✓ 100KWH/215KWH

✓ LIQUID/AIR COOLING

✓ IP54/IP55

✓ BATTERY 6000 CYCLES

Overview

The 18th International Photovoltaic Power Generation and Smart Energy Conference & Exhibition (SNEC 2025) will be held at the National Exhibition and Convention Center in Shanghai from June 11-13, 2025, gathering 3,600+ exhibitors from 95 countries across a 380,000-square-meter. Solar Energy Conferences 2026 2027 2028 is for the researchers, scientists, scholars, engineers, academic, scientific and university practitioners to present research activities that might want to attend events, meetings, seminars, congresses, workshops, summit, and symposiums. We can't wait to see you next year for RE+ 26 at the Las Vegas Convention Center! Housing will open in late January 2026. For professionals in the solar energy industry, attending solar energy conferences and events is a great way to stay updated on the latest industry developments, network with professionals, learn about new technologies, and explore business opportunities. The latest renewable energy events from around the world including summits, conferences, exhibitions and training events. 24 February 2026 - 25 February 2026 Attend the Energy Storage Summit in 2026 to make sure you remain ahead of the curve in this rapidly evolving market.
