

# Runhood solar container power supply

## Overview

---

Powering most camping activities and home emergency use, such as mini coffee makers, phones, laptops, portable. PERFECT OUTDOOR SOLAR ENERGY: This Runhood solar bundle pack contains a Runhood SERI 100 solar pane and two EB324 batteries, which play an integral part in the Runhood Energy loop. So you don't have to wait for the Rallye series to be fully charged before you use it outdoors. RUNHOOD holds the industry's original patent for modular design and insertable power replacement system technology. The RALLYE 1200 modular power station is characterized by its portability, high capacity, durability, and low maintenance.
