

Seoul international solar container exhibition 2023

Overview

EXPO-Solar 2023 is held in (Seoul), South Korea, from 6/27/2023 to 6/27/2023 in KINTEX - Korea International Exhibition Center. Since FIT policy is reduced by recently aggravated finance in Europe and economic depression, the market of global photovoltaic industry is expanding from Europe to Asia. 1) To evaluate the key figures: Exhibition was held during the Corona Pandemic, which started in January 2020. KOREA LAB is Korea's leading B2B trade fair for R&D and biotechnology, showcasing the latest trends and technologies from leading national and international players KOREA MAT Materials Handling & Logistics Exhibition & conference.
