

Shi zhengrong solar container

12.8V 200Ah

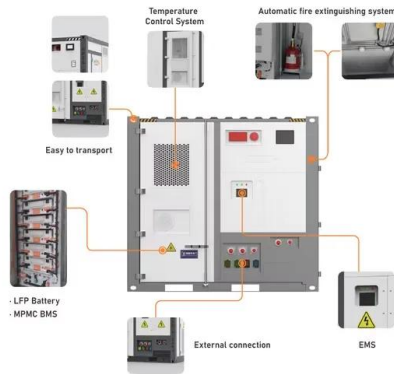

Overview

Shi Zhengrong (Chinese: 施正荣; pinyin: Shī Zhèngróng, born 10 February 1963) is a Chinese-Australian businessman and philanthropist. He is the founder and, up to March 2013, chairman and chief executive officer of Suntech Power. He has donated funds to a research unit at the University of Queensland, Australia "because he felt it was not getting an appropriate level of government support", according to Senator.
