

# Solar container patent direction

## Solar container patent direction

---

### US4221059A

To that end, shelves 30 are formed of a first plurality of webs 34 spaced successively in the direction of the shelf width and a second plurality of webs 36 individually spaced successively in the direction of ...

### PHOTOVOLTAIC CONTAINER

A main objective is to solve the technical problem that, as the existing photovoltaic assembly is directly laid on a top surface of a container, the pressure of the weight of the photovoltaic ...

### US20130233755A1

An ISO approved shipping container has a spatially rotated, molded thermoplastic polymer container shell and encapsulated by a load hearing structural exoskeletal steel container framework. The ...

## Shipping container patented technology retrieval search results

This page includes the patent name, patent number, legal status, invention/applicant, technical efficacy and accompanying drawings of Shipping container-related invention patents and

utility model ...

### SOLAR ENERGY CONTAINER SYSTEM AND METHODS

FIELD n. More specifically, the present disclosure is directed to a solar energy cargo system capable of receiving and storing solar energy, and powering electric or hybrid electric vehicles using the ...

### Solar-powered refrigerated container

Patent application title: Solar-powered refrigerated container Inventors: Ryan McGann (Shoreham, NY, US) IPC8 Class: AF25B2102FI USPC Class: 62 36 Class name: Using electrical or ...

### U.S. Patent Application for SHIPPING CONTAINER HANDLING ...

There is provided shipping container handling systems and methods that maximize the number of containers that can be stored on a predetermined property, as well as increasing the ...

### US Patent Application for SOLAR ENERGY INTERMODAL CONTAINER ...

More specifically, the present disclosure is directed to a solar energy cargo system capable of receiving and storing solar energy, and powering electric or hybrid electric vehicles using the received solar ...

### KR102772852B1

???? ?? ??? ??? ?????? ????? ?? ????? ??? ????? ??? ?  
?? ??? ...

### US Patent Application for SOLAR ENERGY INTERMODAL ...

More specifically, the present disclosure is directed to a solar energy cargo system capable of receiving and storing solar energy, and powering electric or hybrid electric vehicles using the received solar ...

### U.S. Patent for Insulated shipping container and method of making

In FIG. 2, a cross sectional view of the insulated container 10 is presented, with the plane of the cross section indicated generally at the dashed line 2 - 2 of FIG. 1 --extending transversely ...

## Solar-powered refrigerated container

The container is solar-powered with a solar collector on its outer surface, but it also has an internal battery, which powers a thermoelectric cooling unit, fans, control panel and may house ...

## Lightweight And Collapsible Or Foldable Patents (Class 136/245)

Abstract: A solar panel container unit comprising: one or more photovoltaic (PV) solar arrays each comprising a photovoltaic solar panel, and wherein the PV solar panel comprises a ...

## KR102600581B1

The present invention relates to a solar container device, and more specifically, to a container device used as a simple residential building, which combines a solar module that can be opened and ...

## 20140238467 SOLAR POWERED CONTAINER

This patent search tool allows you not only to search the PCT database of about 2 million International Applications but also the worldwide patent collections. This search facility features: flexible search ...

## KR20120014820A

The present invention relates to a container ship having a photovoltaic device, and more particularly to a container ship having a photovoltaic device that can reduce the cost per unit power by producing ...

## CN104868825A

A timeline of key events for this patent application, including priority claims, publications, legal status, reassignments, and litigation. Google has not performed a legal analysis and makes no

## SHIPPING CONTAINER AND METHOD OF FOLDING A SHIPPING CONTAINER

Justia Patents U.S. Patent Application for SHIPPING CONTAINER AND METHOD OF FOLDING A SHIPPING CONTAINER Patent Application (Application #20210292039)

- TELECOM CABINET
- BRAND NEW ORIGINAL
- HIGH-EFFICIENCY

## PHOTOVOLTAIC CONTAINER

[0012] In the above-mentioned photovoltaic container, optionally, the second layer of photovoltaic assemblies has a first row of photovoltaic assembly and a second row of photovoltaic assembly in a ...
