

# Solar container technology for office buildings and business parks

## Overview

---

As businesses look for innovative ways to create efficient and sustainable workspaces, Wilmot Modular Structures, Inc. is proud to offer businesses and organizations an eco-friendly, solar powered office space solution designed to meet the demands of today's modern work environment. A solar panel on a shipping container project integrates photovoltaic (PV) technology into standard shipping containers. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar.
