

Solar container water mist nozzle

Overview

Create a refreshing breeze anywhere with its rechargeable fan, or add misting for powerful evaporative cooling — no hose or outlet required. The ultra-fine mist cools the air up to 30°F! Enjoy all your favorite outdoor activities with the refreshing, cooling power of the 3-in-1 Misting Fan and 10 Liter Water Container. The ideal upgrade to a powerful misting fan is making a misting pump capable of creating even more powerful mist, allowing it to effectively cool even larger areas of space. The ExtremeMist Advanced 4-n-1 Portable Misting Fan retains all the features of our original misting fan and adds a stronger. **ExtremeMist Advanced 4-n-1 Portable Misting Fan** - Our portable 12 speed misting fan comes outfitted with 4 mist nozzles and the ExtremeMIST Pro Pump.
