

South africa photovoltaic solar container exhibition

Overview

Solar & Storage Live Cape Town 2025, taking place on 15–16 October 2025 at the Cape Town International Convention Centre (CTICC), is Africa's largest renewable energy exhibition and conference. March 2026 | International trade fair of the solar PV, storage and complimentary technologies The " Solar & Storage Live Africa " is a leading international trade fair focused on solar PV technology, storage systems, and complementary technologies. The Solar Power Africa 2026 conference explores how renewables, hybrid energy systems, and intelligent mobility networks can meet this demand, stabilise the grid, and enable sustainable growth. Delegates will gain insights into optimising AI-driven data centres, scaling solar and storage solutions.
