

# The largest solar container company in the bahamas

## Overview

---

TerraSmart is not new to securing PV systems on hurricane-prone Caribbean islands, but at four megawatts the largest solar array in The Bahamas presented unique logistical challenges. Built in partnership with Developer and EPC, Compass Solar Systems, the solar and storage microgrid required. We have the knowledge, skills and ability to execute solar farms up to 400mW and more Today, OI Solar is poised to be one of the most important renewable energy companies in our region and globally. The Bahamas' key logistical asset is the Freeport Container Port in Grand Bahama.
