

The nearest subway station to china solar container building

Features and application
17 energy storage units

1000W power

Overview

The Longyang Road Metro Rail Yard in Pudong serves Lines 2 and 7 of the Shanghai Metro, with trains coming in and out every day. Shenzhen's subway system is very complex, with approximately 17 lines that span across the entire city, making commuting very convenient! I took Line 11, which is the starting station located in Futian District, known as the "Eye of Shenzhen".
