

# Where can i buy a home solar container system in an industrial park

✓ LIQUID/AIR COOLING

✓ INTELLIGENT INTEGRATION

✓ PROTECTION IP54/IP55

✓ BATTERY /6000 CYCLES

## Overview

---

We're converting two shipping containers into an off-grid home! Each unit includes solar power, battery storage, water & septic-ready setup, and modern finishes. Combine solar and storage to lower peak demand charges and control long-term energy costs Unlock additional income streams through Battery Energy Storage (BESS) and EV charging services Coming in 2026: IPPsolar is rapidly building a robust network of fast chargers across the New York and New Jersey. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design. Easily connect to water sources and septic systems with our pre-installed plumbing and filtration options. Who is Stealth Power?

Stealth Power provides fleet electrification and off grid solar solutions for customers of all kinds.
