

# Which company has the best price for home emergency solar container

## Overview

---

Leading options include Goal Zero, Jackery, and Bluetti systems starting at \$599 for reliable emergency backup. Our job is to help get you water, not sell you something that isn't a good fit for you or your well. What sets LZY Solar Panel Containers apart from the competition?

LZY Solar Containers use proprietary folding. Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail system and no shading from a remaining container structure. To help you cut through the confusion, we've thoroughly researched and compared the battery capacity, power output, charging speed, portability, durability, and overall value of the most trusted emergency solar generators on the market.
